

Make Better Talent Decisions

Your goal is to build the best team. Our goal is to help you get there with multidimensional assessments, backed by science and delivered through our robust and user-friendly platform.

An assessment platform that works for you.

Test anyone, anywhere, at any time, with any of our tests. Our assessment platform is highly configurable and built to engage candidates.

Unlimited Testing

Administer unlimited tests from across our entire assessment portfolio throughout your subscription.

Unlimited Users

No matter the size of your hiring team, everyone can access the Criteria platform. Highly configurable permissions enable you to specify what each team member can access within the system.

We fit into your existing hiring process.

Assessments are just one piece of the puzzle for finding great candidates. Our flexible technology makes it possible for you to seamlessly integrate assessments into your current systems and processes. We also partner with a wide range of ATS and HRIS platforms to provide streamlined integrations.

Our Story

Criteria is an assessment company dedicated to helping organizations make better talent decisions using objective, multidimensional data. By combining leading-edge data science with rigorous validation backed by I/O psychologists, we provide the most precise assessments available. Our suite of assessments is the most comprehensive on the market, covering aptitude, personality, emotional intelligence, and more to provide the most robust picture of talent. Since launching in 2006, our assessments have been administered more than 25 million times through our user-friendly platform.
