Get to Kickoff sooner – From three days to eight hours.

Some of the largest firms in the industry arm their proposal development team with SalesFed to help them win more work and increase revenue.

“You never get a second try at your first proposal draft. SalesFed removes all the barriers in building a high-quality compliance matrix in a fraction of the time to build these products manually. I cannot imagine doing this without SalesFed ever again.”

– Senior Proposal Manager \$5B Federal Contracting Firm
